Look For This Tag On Your Doorknob

More prizes. We cannot tell you just how we feel about the immense throngs who came to our store with the tags that were placed on their doorknobs last week. It seemed to us that everybody in Torrance and the surrounding communities were here and those who did not receive prizes were well rewarded with the many hundreds of unusual values that they were able to purchase here. The same rules apply this week. Compare the number on this tag with the numbers on the merchandise displayed in our store and if your number is the same, you receive the article. Free of charge. There are over fifty prizes this week.

A Red Letter Month Shattering All Previous Records

Come To Toyland--The Greatest Yet Shown

Toyland at Barnes' is open and never before in the history of Torrance has such an amazing spectacle been offered to the kiddies. Virtually every toy that a youngster could wish for may be found here and all priced so that even the most economical of mothers will be able to purchase many, many toys. It's hard to tell you all about them, there are so many to name. A visit to this department will delight even the grown-ups and we know that every child that comes in here will receive the greatest surprise of his life. Give the kiddies a treat. Bring them into the store and let them visit with Santa for an hour or more. It will be an occasion that they will long remember and take delight in talking about for months to come. Again we say, Come to Toyland at Barnes.
